The bidding has been as shown.

With 5 cards in the "other" Major and a 5-card Minor you bid 2 ♠, Michaels of course. Partner bids 2NT. What do you say next?

Is it possible that partner wants to play Notrump? Not at all. He hates ♥s and wants you to bid your Minor suit. So you say 3 ♦ and he passes.

The bidding has been as shown.

Partner asked you to choose between ♥s and ♦s so you bid 3 ♦. He then raises you to 4 ♦.

If you say to yourself "I only have 7 HCP" then you might pass. But if you say "Partner invited me to bid game, even though I might have no points and only 3 trumps. I'm a lot better than that.", then you will accept the invitation. So you bid 5 ♦ and everybody passes.

The bidding has been as shown.

With 5 cards in the "other" Major and a 5-card Minor suit this looks like an ideal Michaels Cue-Bid, right? No, not really. While it would not be a capital offense to bid 2♥ here, it generally works out better with 13-16 point hands to just overcall in your higher-ranking suit. You bid 1♠. Partner responds 2♥.

Partner's cue-bid shows a limit-raise or better in ♠s. So you bid 4♠ without the blink of an eye.

The bidding has been as shown.

Partner is 5-5 in ♠s and one of the Minor suits.

Forget ♠s, you want him to bid the Minor. So you bid 2NT. Partner says 3♣.

Partner only made a minimum bid, so you have no choice but to pass.
