A perfect Michaels example; 5-5 in the Majors and 9 points. You bid 2 ♦ and partner says 2 ♠.

You have a rather minimum Michaels type hand and you asked partner to choose a Major suit. He chose ♠s. But don't start thinking about what great support you have for his ♠ suit, he doesn't **HAVE** a ♠ suit, he is just supporting yours. In other words, you pass.

The bidding has been as shown.

You have a fair hand with a guaranteed 8-card fit in either Major. You are not, however, strong enough to jump the bidding. So you bid 2♥, which is passed out.

You have a pretty good hand for an Unusual Notrump, but not so good that you wouldn't use the convention. You bid 2NT and partner says 3 ♣. What do you say next?

As mentioned, you have a pretty good hand, but partner only bid because you forced him to and he showed nothing more than minimum. So you pass.

Your best suit is ♥s. But partner didn't ask you to bid ♥s, he asked you to pick a Minor. You know you will have an 8-card fit in ♦s so you take the safe approach and bid 3♦. Everybody passes.

Of course you bid a Michaels Cue-Bid of 2♠.

Partner says 4♥.

Partner's jump might indicate he has a really good hand, or he might just have a really good fit. You certainly don't have the strength to make another move so you pass. A good thing, too. Partner might get lucky and make this but it looks like the other guys are cold for 4♠. Even if partner loses 2♥ tricks and goes down 1 it will turn out to be a good sacrifice.

You have no idea what you can make with this hand.
Slam in one of the minors may be possible, but
maybe not. You decide to try 3NT.
