

## Negative Double

Partner opens 1 of a suit and the next opponent overcalls a suit:

Double by you is not for penalty - it says you **would** have responded if no overcall.

You need 6+ points for 1-level double, more for higher level double

Negative Double promises at least four cards in any unbid Major

If both Majors have been bid, double promises both minors

1♣/♦ - 1♥ - dbl - promises 4-card Spade suit

1♣/♦ - 1♥ - 1♠ - promises 5+ card Spade suit

## Support Cue-bid

When partner opens and next player overcalls, a Cue-bid by you shows Limit-raise or better support for partner's suit. Any raise of partner's suit is preemptive and shows LESS than a Limit-raise.

When an opponent opens, partner overcalls, and the next opponent passes, a Cue-bid by you shows Limit-raise or better support for partner's suit. Any raise of partner's suit is preemptive and shows LESS than a Limit-raise.

Compare this hand with Deal 6. NORTH has five  
♠s, this time so she bids 1♠.

SOUTH knows there IS an 8-card fit in ♠s, so he  
bids 2♠.

NORTH has 10 points so she passes.

WEST has 11/12 points, a Limit Raise in ♥s. So after the overcall he makes a Support Cue-bid of 2 ♠.

EAST adds her 16 to the 11 that WEST has promised as a minimum and goes straight to 4 ♥.

If WEST had significantly more than 11 he could bid on, but in this case he should happily pass.

Compare this with Deal 8.

NORTH has 7 points, barely enough for a 2♥ raise if there had been no overcall. But when WEST puts in the ♠ bid, NORTH can jump to 3♥ as a preemptive measure. He knows SOUTH won't think he has strength because he did not make a Support Cue-bid.

SOUTH does know it and passes 3♥.

EAST has the strength for a raise to game in ♠s, but this could be dangerous since WEST has overcalled rather than opened. Instead, EAST shows her strength with a Support Cue-bid.

WEST in fact had a pretty good overcall so he jumps to 3♠ and EAST bids the game.

With a weak overcall WEST would have just returned to 2♠ which EAST would pass.

Compare this to Deal 10.

SOUTH has the strength for a raise to game in ♠s, but this could be dangerous since NORTH has overcalled rather than opened. Instead, SOUTH shows her strength with a Support Cue-bid.

NORTH has very minimal overcall so he just bids 2 ♠ which SOUTH passes.

EAST has a maximum 1♥ opening bid.

WEST would have made a Limit Raise in ♥s, but  
after SOUTH's overcall she makes a Support Cue-bid  
instead.

EAST thinks there may be a slam and bids 4NT  
Blackwood to check for Aces. When WEST admits  
to one Ace EAST bids the slam.
