SOUTH has both Majors and planned on bidding 1♥ first, (up-the-line). But EAST's overcall gave SOUTH the opportunity to bid both Majors at the same time! Since the Negative Double promises both Majors it was like SOUTH could bid 1♥♠.

NORTH has ♠s so she bids 1♠, showing a minimum opener.

SOUTH has 13 points and the ♠ fit so he bids game.

NORTH has 13 points and four cards in both ♥s and ♠s. Rather than bid one of them she makes a Negative Double, promising four cards in EACH of them. It's like she was able to bid 1 ♥ ♠.

SOUTH doesn't have four cards in either Major, but with a ♦ stopper he bids 1NT.

NORTH happily bids 3NT.

NORTH cannot respond with a Negative Double on this hand because he has only three ♥s.

Instead he just bids his 4-card Major, 1 ♠.

SOUTH shows 4-card support with a minimum opener by bidding 2 ♠ and NORTH has enough strength to bid game.

NORTH has 15 points, and when West overcalls 2♥ in front of her she has a perfect Negative Double - showing both of the Minor suits.

SOUTH doesn't like the Minor suits, but he has stoppers in ♥s, so he bids 2NT.

NORTH is more than happy to raise to 3NT.

SOUTH would have responded 1♥ if EAST had not overcalled. But with only 8 points he cannot bid at the 2-level. The Negative Double solves his problem, giving this information to partner.

NORTH has good ♥s and enough points to bid game. Notice that if EAST had remained silent, SOUTH would have responded 1♥, and NORTH would have jumped to game.

NORTH has four ♠s, so instead of bidding them she makes a Negative Double.

SOUTH knows there is no 8-card fit in ♠s, but he does have ♥s stopped. He bids 1NT.

NORTH has 9 points and with four ♣s she goes back to that suit and SOUTH passes.
