WEST's 1 ♥ opening is passed around to SOUTH.
 He is tempted to overcall 1 ♠, but with 18 points is a
 little strong for a mere overcall. Instead, he doubles.

With 8 points NORTH is not strong enough to jump.
 She bids 2 ♣.

SOUTH now bids 2 ♠. By doubling first, then
 bidding his own suit, he shows a good suit and 17+
 points.

NORTH raises to 4 ♠.

SOUTH has 18 points, a balanced hand, and a good stopper in their suit. He should overcall 1NT. For 1NT overcalls, the range is increased to 15-18 points.

NORTH bids 2♣ (Stayman), just as she would with a 1NT opening. When SOUTH denies holding a 4-card Major NORTH has enough points to bid 3NT. She doesn't worry about a ♠ stopper since SOUTH promised he had the suit controlled.

SOUTH has 20 points, excellent ♦ stoppers and a balanced hand. She is two points too strong to overcall 1NT. Instead, she doubles.

NORTH has an awful hand - but since he is forced to bid he says 1♠, assuming SOUTH wants to hear his best suit.

SOUTH now bids 1NT, showing the balanced 19-21 point hand. NORTH passes, of course.

SOUTH has a 19 point balanced hand, including a stop in ♥s. He plans to double, then bid NT. (see Deal 9)

NORTH has 10 points though, so he jumps to 2♠.

In theory SOUTH could now bid 2NT to continue the description of his hand, but he might as well go ahead and bid 3NT instead.

With a 5-card ♠ suit and 13 points SOUTH should overcall 1 ♠.

NORTH has 13 points and four ♠s. If SOUTH had opened, NORTH's hand would be good enough to insist on game. But since SOUTH overcalled, NORTH merely invites with a jump to 3 ♠.

SOUTH has better than a minimum overcall so she accepts the invitation and bids 4 ♠.

NORTH has a very minimum Takeout Double of 1♦. But what it lacks in strength, it makes up for with perfect distribution.

SOUTH has 13 points and only wants to play in one contract, 4♥.

NORTH passes happily.
