

Jacoby Two Notrump

A 2NT response to a Major sit opening promises at least 4-card support and at least opening hand strength. It is absolutely forcing to game.

Opener's second bid describes her hand further:

- 4 of the Major shows a minimum featureless hand

- 3NT shows extra strength and a 5-card trump suit

- 3 of the Major shows extra strength and a 6+ card trump suit

- 3 of any other suit shows shortness (singleton or void)

- 4 of any other suit shows a second 5-card suit

Splinter Bids

A double-jump-shift as a response to partner's opening 1 of a Major suit is a Splinter bid. It shows opening hand strength, at least four card support for the Major, and a singleton or void in the "splintered" suit. It is absolutely forcing to game.

BakerBridge has complete lessons for these conventions.

NORTH might just use Jacoby 2NT since he has great ♥ support and more than 13 points. But, he has so much more than 13 points that he should inform partner by making a jump-shift. He plans to return to ♥s later.

SOUTH has different plans. Knowing partner has five ♠s and 17 or more points she pushes straight to the ♠ slam.

It didn't matter, slam is cold in either Major.

WEST might jump-shift, but with no 5-card suit prefers to use Jacoby 2NT.

EAST shows some extra strength plus a 5-card ♣ suit with his 4♣ bid.

When WEST's Blackwood discovers two Aces in EAST's hand she goes right to 7♠. She knows EAST has only three red cards and her ♥A ♦A K will take care of them. She figures EAST can ruff out any ♣ losers.

NORTH bids 4♣, showing ♥ support, 13+ points and a singleton or void in ♣s.

SOUTH first shows her ♦ A, then, when NORTH signs off, makes one more try by showing her ♠ A.

NORTH finally gets inspired and bids the slam.

EAST has a very minimum 2NT bid, but when WEST shows ♣ shortness she can Control-bid her ♥A without showing extra values.

WEST's hand became huge when he heard about EAST's ♥A. When Blackwood shows they hold three Aces he bids what he expects to be a comfortable slam.
