NORTH's 3♠ bid, a double-jump, is a Splinter bid. It shows game-forcing strength, at least four cards in partner's suit, and a singleton or void in the Splintered suit.

SOUTH has just 14 points and the ♠ shortness in NORTH's hand doesn't improve her hand since she had just one ♠ loser anyway. She signs off in 4♥.

This is a companion hand to Deal 13.

SOUTH has 14 points, the same strength she had in Deal 13. But what a difference. This time NORTH's ♠ shortness complements her hand very well. She bids 4♣ to show her Control, and after NORTH shows the ♦ A she uses Blackwood to make sure NORTH also has the trump Ace.

NORTH has 13 points and good 3-card support for SOUTH's 1♥ opening bid. But he should not bid 2NT since that bid promises 4+ cards in support. North must still insure they reach game, so he bids a forcing 2♣.

When SOUTH next says 2NT NORTH can jump to 4♥.

NOTE: if you used Jacoby 2NT and reached the 4♥ game, give yourself credit anyway.

SOUTH bids 3♠ to show a strong hand with a singleton ♠.

After NORTH shows her first-round ♣ control SOUTH decides he will bid slam if NORTH has three Aces.

When Blackwood reveals just two Aces in NORTH, SOUTH stops at 5♥.

SOUTH bids 4♣ after NORTH's Jacoby 2NT. The reason for this bid is just to describe her hand as having a side 5-card ♣ suit. SOUTH knows the eventual contract will be some level of ♥s.

NORTH doesn't have a strong hand, but he would show ♦ control at this time if he had the Ace. He isn't strong enough to go past game to show the ♠A, so he just bids 4♥.

NORTH should not be tempted to use Jacoby 2NT with this hand. There are only 12 points, and the Limit Raise is a perfect way to show a 12 point support hand.

SOUTH has more than enough strength to bid game after NORTH's limit raise. If NORTH had mistakenly used a Jacoby 2NT response, SOUTH would probably have tried to reach slam, and perhaps gotten too high.
