4NT by North

Lead: ♠ 9

What is this doing here in the RKCB Practice Pages?

To emphasize that there are many 4NT bids which are NOT asking for Aces.

In this case, NORTH showed a balanced hand with 18 or 19 points, and SOUTH invited him to bid 6NT if he felt his hand was a "maximum". He didn't, so he passed.

When WEST makes a Splinter bid, showing ♥ support and ♣ shortness, EAST naturally thinks about slam.

She uses RKCB 4NT, and WEST, with one Key Card and a ♣ Void, bids 6♣.

Just what EAST needed for the 6♥ bid.

NORTH thinks they should be in slam, and uses Stayman to check for a 4-4 Major fit.

When SOUTH announces four ♠s NORTH uses RKCB 4NT.

SOUTH's 5♠ bid shows two Key Cards plus the ♠Q.

This fills the holes in NORTH's hand nicely, so she bids 6♠.

This is the companion hand to Deal 18.

Again, EAST uses RKCB after the 4-4 ♠ fit is discovered. This time WEST shows two Key Cards without the ♠ Q.

Now EAST realizes that in addition to one outside Ace, there is a very possible loser in trumps. So she stops at 5♠.

The chances of a slam on this hand are very small, and if NORTH decides to use RKCB it will just confuse matters when SOUTH shows two Key Cards.

NORTH has a better way to find out about the hand. She bids 2NT asking SOUTH to further describe his hand. SOUTH should then bid 3NT, showing a solid suit headed by AKQ.

SOUTH cannot have as much as an extra Jack, so NORTH just passes 3NT.
