NORTH has a perfect hand for an opening bid of 2♠.

SOUTH will be tempted to respond with his opening hand and good trump support, but he should resist the temptation. To raise a Weak Two-bid to game you should have quick winners, not just points.

SOUTH has the same hand as in Deal 1 and again opens 2♠.

This is the type of hand NORTH needs to bid game. Notice that even with all those winners the pair is nowhere close to having a slam. They will probably make just ten tricks.

Once more, NORTH has the same hand as Deals 1 and 2.

This time SOUTH has a very poor hand without any chance of making game. However, he should bid 4 ♠ anyway.

It is very likely that the opponents can make 4 ♥ if West gets the opportunity to get into the bidding. Hopefully the 4 ♠ bid will shut him out, and 4 ♠ probably won't go down more than a couple of tricks.

♣ 9 7

SOUTH has a pretty normal preemptive 3♦ bid.

NORTH has the equivalent of an opening 1NT bid and will be very tempted to bid 3NT.

That might turn out to be a disaster, particularly if NORTH is unable to reach the SOUTH hand.

NORTH should assume SOUTH can win six tricks if ♦s are trumps. Thinking this way points NORTH to her best call - PASS.

Here SOUTH has the kind of hand you need to raise a preempt to game.

SOUTH assumes that NORTH has a hand with six winners in it. He can provide four more, so that is just enough for game. He bids 4♥.

SOUTH has a 7-card ♠ suit but he is too strong to open with a preemptive bid. So he opens 1 ♠ instead.

NORTH should respond 2 ♣, and SOUTH can do nothing but rebid the ♠ suit.

NORTH thinks there should be game and bids 4 ♠
