Your 2♥ response shows 8+ points, with at least 5♥s.

Your hand is looking better and better. You already gave a positive response so you know you are forced to game. It is better to keep the bidding low to allow more investigating room so you bid 3♠. Partner bids 4NT. What is your response?

With ♠s agreed as trumps you have two Key-Cards, the ♠K and the ♥A. With no trump Queen you respond 5♥. Partner now says 5NT. What do you reply?

Partner is asking for Kings and you have just 1, the ♥K. Remember, the ♠K is not a King, it is a Key-Card which you have already counted. So you bid 6♦. Partner counts 13 tricks and bids 7NT.

6 ♠ by South

Lead: ♦ 3

Partner's 3 ♠ is a limit raise, 11-12 points and good ♠ support.

What you DO NOT say next is 4NT. If partner answered 1 Key-Card you would not know what to do. If he has a red Ace you can make slam, but if his one Key-Card were the ♣A you couldn't. Instead you make a control-showing bid of 4 ♣, promising first round control. Partner obliges you by bidding 4 ♥. What is your next bid?

Partner's bidding is like the Sherlock Holmes tale Silver Blaze, about the dog that didn't bark. Partner's ♥ bid shows that he **DOES** have the ♥A, but equally important it shows that he **DOES NOT** have the ♦A. So you know you don't have a ♥ loser but do have a ♦ loser. You bid 6 ♠.
