You dealt this hand.

With 22 points you should open 2♣. Partner responds 2♦.

You have 22 points and 5-card Major suit. Your rebid is therefore 2♠. Partner raises to 4♠. His jump to game shows a weaker hand than a 3♠ bid would so you pass.

You have 6 points and bid a Negative 2♦. Partner now bids 2NT. What is your bid?

Partner has a balanced 22-24 points. With your 6 you want to be in game, but which game; 3NT, 4♥ or 4♠? You can't answer that question unless you know if partner has a 4-card Major suit. So you bid 3♣, which is Stayman in this case. Partner replies 3♥.

Knowing of the 4-4 fit you bid 4♥. By the way: Partner knew your 3♣ bid was not the Second Negative because you don't use Second Negative following a 2NT rebid, you just pass.

You dealt this hand.

With 23 points you open 2♣. Partner responds 2♦.

You bid your 5-card ♥ suit. Partner says 2NT.

Partner's 2NT shows scattered values and fewer than 3 ♥s. He has 3 or more points or he would have bid the Double Negative. So you say 3NT.

You have 11 points and partner opens 2♣. Wow!
You answer 2NT and he bids 3NT. What is your next bid?

Hmmm, 22-24 balanced, plus 11 balanced equals
33-35 balanced. It makes you think a jump to 6NT
would work out great. Just do it.

With just 1 Jack you bid a Negative 2♦. Partner now bids 2♠. What is your bid?

Partner's bid of a suit is absolutely forcing, no matter how you feel about it. But now is the time you tell him you have fewer than 3 points by using the Second Negative. You bid 3♣. Partner now says 3♥.

No, you still may not pass. First, because partner's bid of a new suit is forcing. Second, because even if you were not forced you prefer his first suit. So you bid 3♠ and he passes.

With a true Yarborough you qualify to respond a Negative 2♦. Partner now bids 3♣. What is your bid?

You now inform partner of your disaster hand by using the Second Negative. Since his suit is ♣s the Second Negative is 3♦. Partner now says 3NT.

You definitely pass. Good thing he has 9 cold tricks in his hand!
