With 10 HCP and 10 red cards you have a good enough hand for an immediate DONT bid. So you bid 2♦, promising that suit and a Major.

Partner responds 2♥.

Don't get carried away, partner isn't really bidding a ♥ suit as much as he is letting you know he doesn't like ♦s. You were only competing for a partscore and here you are in a partscore. You pass.

You have a terrible hand but you still cannot pass partner's double. He is requesting you to bid 2♣ as a relay bid so he can name his suit.

You dutifully respond 2♣ and he says 2♥.

You didn't want to bid the first time, this time you definitely pass.

OK, you only have 4 HCP. But you have 10 cards in the Majors. And, you are in the balancing seat. If East is willing to let it die at 1NT your partner must have some strength. So you should use DONT. You bid 2♥, showing both Major suits.

Partner responds 2♠.

Partner prefers ♠s to ♥s. Since you were bare minimum you pass.

Your hand is too balanced to intervene over West's 1NT so you pass.

Then partner overcalls 2♦.

Partner has two suits, ♦s and one of the Majors. If his other suit is ♥s then a 2♥ bid by you would work great. But if his other suit is ♠s anything you say would not be good.

Since you can tolerate ♦s your safest call is pass.

With 10 HCP and a solid 6-card suit this is an ideal DONT bid. You double and partner follows procedure by saying 2♣.

Now you follow procedure by showing your 6-card suit. You bid 2♥ and everybody passes.

2♠

Partner's double asks you to bid 2♣ as a relay bid so he can name his suit.

But you don't want him to bid his 6-card suit, your hand is useless unless ♠s are trumps. So ignore the relay request and bid 2♠. Everybody passes.
