Would you really bid over 1NT with only 5 HCP? In the balancing seat you should. Partner is marked with a pretty good hand, and you have a 6-card Major suit.

You do bid just 2♠ though, rather than a double followed by 2♠, which would show a stronger hand. Everybody passes.

You would have opened 1♦ but after East opens 1NT you must pass.

Partner bids 2♥ in the balancing seat.

The 2♥ bid shows ♥s and ♠s.

You have absolutely no preference between the two suits. But you do have a preference as to where the opening lead will be coming from - you'd like West to have to lead through East's strength. Besides you feel like playing the last hand so you say 2♠ and everybody passes.
