4 ♠ by South

Lead: ♠ 3

The bidding has been as shown. The contract is 4 ♠

Lead any ♠.

You have ♦ winners, but dummy will surely be short since he has at least 8 cards in the Major suits.

Partner has whatever ♥ strength your side possesses.

It is very likely that declarer will want to do some cross-trumping. To try to cut that down your best lead is a trump.

Just imagine that declarer wins the first ♠ in his hand and plays a ♥ to dummy's honors. East will win and play another trump. Whenever you win your first ♦ you will play your last trump.

As you can imagine, declarer will be in a whole lot of trouble.

6NT by South

Lead: ♥6

Declarer has 11 winners sitting there; if you had led a low ♠ you would have handed him his 12 trick on a platter.

The bidding has been as shown. The contract is 6NT

Lead the ♥6.

You held this identical hand in Deal 3. The declarer was playing 3NT and the best lead was the ♠4, fourth down.

It's different when the contract is 6NT. Against 6NT you should make a passive lead, which means don't underlead any honors. Against 6NT you have little chance of establishing a suit to win four or five tricks. Instead, you just want to try to not give declarer an undeserved trick.

So any passive lead would be OK, you pick the ♥ just because they are less likely to have an unbid 4-card Major in either hand.

6♦ by South

Lead: ♠4

The bidding has been as shown. The contract is 6♦

Lead the ♠4.

Against a notrump slam it is best to make a passive lead so you don't give declarer an undeserved winner.

Against a suit slam the situation is very different. Against strong dummy bidding like this you are pretty sure that if you don't establish a winner early declarer will find something in dummy to discard losers on. In this hand it is dummy's ♣ suit.

Your most promising suit is ♠s. Obviously partner has a very weak hand, but if he has the ♠Q you can set up your ♠K before your King of trumps is dislodged.

Without a ♠ lead declarer will have smooth sailing.

| Lead: ♥ 4    |       |      |       |

The bidding has been as shown. The contract is 3NT

Lead the ♥ 4.

This is a close call. The top of your ♠ honor sequence is very tempting, but even when you find partner with the ♠ K you can still only establish three ♠ winners to go with your ♣ A. Unfortunately, that's not enough to defeat the contract.

Leading a ♥ from your 5-card suit is riskier, but it has the potential of setting up an additional winner. In this hand, as you see, the ♥ lead gets you 4 ♥ winners to go with your ♣ A.

| 4 ♥ by South |       |      |       |
| Lead: ♥ 9    |       |      |       |

The bidding has been as shown. The contract is 4♥

Underleading an Ace against a suit contract is the absolute worst opening lead in Bridge. A careful look at this hand shows just how bad it can turn out.

And leading from a doubleton in a suit the opponents have bid is almost as bad.

So by process of elimination you lead a trump, probably the ♥9.

And when South plays ♣s, (preparing to ruff in dummy), you will win and play another trump. Even if South guesses the ♠s correctly he will not be able to make the contract.
