EAST has 13 points but she has to pass. She cannot Double without support for ♥s. She cannot bid 1NT without 2 more points. She cannot overcall 2♣ with a terrible suit like that.

And WEST of course must also pass.

WEST obviously has to pass when SOUTH opens 1 ♠.

EAST has a reasonable Takeout Double. She hopes WEST will name a suit and they can just play a partscore.

You should almost always bid when partner makes a Takeout Double. Almost always. This is the one time when you don't. WEST's ♠ are so good that he passes, converting the Takeout Double into a Penalty Double.

NORTH has a normal overcall of 1 ♠.

SOUTH has a really good hand, but he doesn't have to worry about missing a slam since NORTH will not have more than 16 points. So he just bids what he thinks NORTH can make, 4 ♠.

NORTH has 12 points and a good enough suit to overcall 1 ♥.

SOUTH has 9 points with a good ♦ stopper. She bids 1NT.

NORTH has nothing more to say, and lets SOUTH play 1NT.
