NORTH has 18 points, a doubleton in the opponent's suit, and at least three cards in the unbid suits. This is an ideal hand for a Takeout Double.

SOUTH has good strength in WEST's ♦ suit, probably two stoppers. He has 9 points and no 4-card suit of his own. This is the type of hand to respond 1NT.

NORTH is happy to play Notrump now that she knows the ♦s are covered, so she bids 3NT.

NORTH has an opening hand, 14 points and five ♠s. But WEST beat him to the punch, so he overcalls 1 ♠.

SOUTH also has 14 points, she doesn't care too much for ♠s, but she has an excellent stopper in ♥s. She jumps to 2NT, inviting NORTH to bid game.

Since NORTH has several points more than he might have had, and no 6-card ♠ suit to rebid, he happily bids 3NT.

SOUTH has 15 points and all the requirements for a Takeout Double of 1♠.

With 14 points of his own, NORTH knows his side needs to be in a game somewhere. He passes this information to SOUTH with a cue-bid of 2♠.

SOUTH gets the message and starts the hunt for a trump fit by bidding 3♥. That makes it easy for NORTH - he bids 4♥.

There is only one reason that SOUTH should not overcall with 1 ♠. He is too strong. The maximum strength of an overcall is 16 points. Above that you should double.

So SOUTH doubles, and after NORTH bids 2 ♣, SOUTH bids 2 ♠. This shows an overcall type hand, but with 17 or more points.

NORTH has fine trump support and 8 points so she bids a confident 4 ♠.

SOUTH has 13 points but has no bid over 1 ♦.

NORTH can make a Takeout Double, so he does.

SOUTH now cue-bids ♦ to show opening hand strength.

NORTH shows his ♥ suit, SOUTH doesn't like it.

SOUTH shows her ♠ suit, NORTH doesn't like it.

NORTH shows his ♣ suit, SOUTH likes it fine, but decides 3NT will be easier than 5♣.

WEST would have had a great opening 1♠ bid. But when SOUTH opened 1♠ in front of him he was hornswaggled. He couldn't bid any other suit, he couldn't bid 1NT and he sure couldn't bid ♠s. So he must pass.

And so does everybody else pass.
