

Jacoby Two Notrump

A 2NT response to a Major sit opening promises at least 4-card support and at least opening hand strength. It is absolutely forcing to game.

Opener's second bid describes her hand further:

4 of the Major shows a minimum featureless hand

3NT shows extra strength and a 5-card trump suit

3 of the Major shows extra strength and a 6+ card trump suit

3 of any other suit shows shortness (singleton or void)

4 of any other suit shows a second 5-card suit

Splinter Bids

A double-jump-shift as a response to partner's opening 1 of a Major suit is a Splinter bid. It shows opening hand strength, at least four card support for the Major, and a singleton or void in the "splintered" suit. It is absolutely forcing to game.

BakerBridge has complete lessons for these conventions.

This is the companion to Deal 4.

After NORTH bids 3 ♣ to show shortage, SOUTH makes a Control-showing bid of 3 ♦.

NORTH no longer worries about losing two quick ♦s. He uses Blackwood to check for Aces, then bids 6 ♠.

EAST's 3♥ rebid shows better than average strength and six trumps.

Just what WEST was hoping for. She bids Blackwood - her plan is to bid 7♥ if EAST has three Aces, bid 6♥ if he has two Aces, and stop at 5♥ if he has just one. If East has no Aces WEST will get a new partner.

SOUTH indicates an above normal opening with five ♠s by her 3NT rebid.

NORTH also has some extra strength so he makes a Control showing bid of 4 ♥.

Despite both partners showing extra strength South merely signs off at 4 ♠. Why? Because NORTH's Control bid of 4 ♥ denied first-round control in both ♣s and ♦s. SOUTH realized she was off two Aces.

WEST has a minimum opening hand with no extra features to brag about. So after EAST's Jacoby 2NT bid he merely signs off at 4♠.

EAST would have cooperated if WEST had made a slam try, but she doesn't have enough to initiate the investigation herself.
