NORTH's 3♥ rebid shows better than average strength and six trumps.

Just what SOUTH was hoping for. She bids Blackwood - her plan is to bid 7♥ if NORTH has three Aces, bid 6♥ if he has two Aces, and stop at 5♥ if he has just one. If North has no Aces SOUTH will get a new partner.

SOUTH indicates an above normal opening with five ♠s by her 3NT rebid.

NORTH also has some extra strength so he makes a Control showing bid of 4♥.

Despite both partners showing extra strength South merely signs off at 4♠. Why? Because NORTH's Control bid of 4♥ denied first-round control in both ♣s and ♦s. SOUTH realized she was off two Aces.

NORTH has a minimum opening hand with no extra features to brag about. So after SOUTH's Jacoby 2NT bid he merely signs off at 4♠.

SOUTH would have cooperated if NORTH had made a slam try, but she doesn't have enough to initiate the investigation herself.

NORTH's 4♣ is a Splinter bid. He promises 13+ points, at least four ♥s and a singleton or void in ♣s.

SOUTH is obviously forced to game, but she is not thrilled to hear about NORTH's ♣ shortness. In fact, it does nothing to help the value of her hand. So she bids the ♥ game.

NORTH bids 3♠ to show the 6-card suit plus some extra strength.

SOUTH's failure to make a Control bid in either ♣s, ♦s or ♥s, means just one thing - She doesn't have any controls.

So NORTH settles for game.
