SOUTH is unsure whether to bid game or not, so he bids 2NT to get more information about NORTH's hand.

NORTH's 3♠ is discouraging, a hand below average in strength and no outside high card.

SOUTH passes and hopes for the best.

EAST has no way to tell whether WEST can provide one winner or not.

So she takes the bold approach and bids 4 ♥.

If the opening lead is a ♠ or a ♦ then EAST will probably make the game. Otherwise she will likely go down one.

Most good players have an extra restriction in their Weak Two-bid guidelines - they won't open with a Weak Two-bid when they hold an outside 4-card Major, even if the hand qualifies otherwise. This Deal shows why.

If NORTH opened with 2♠, SOUTH might well pass and a ♥ game would be missed.
