NORTH assumes her partner can win six tricks. So she will need to contribute four more to make game.

Three of them are obvious, and she expects to get a ♦ ruff also.

SOUTH's hand has the look of a Weak Two-bid, but it is one point too strong. So she opens 1 ♠.

NORTH naturally bids 2 ♣ and SOUTH rebids the ♠ suit.

NORTH always knew there would be a game bid, so with an 8-card fit he bids 4 ♠

NORTH may have an opening hand, but it is just the wrong kind of hand to respond to partner's preemptive bid. She doesn't have the immediate winners that SOUTH is likely to need, but she is in good shape for defense should the opponents bid.

In other words, NORTH has the perfect hand with which to pass.

The 2NT response to a Weak Two opening is a wonderful tool. You can learn a lot about partner's hand and you are absolutely certain that it will not be passed out.

In this Deal SOUTH has a huge hand and NORTH opens 2♦. There are a lot of approaches SOUTH might try, but the simplest is to start with 2NT.

When NORTH shows ♦ A K Q x x x SOUTH has an easy 6NT bid.

NORTH is unsure whether to bid game or not. So she temporizes with 2NT.

SOUTH shows an above average hand plus a high card in ♥s.

NORTH is no longer unsure, so she bids 4♠.
